

JOIN AUTISM SOCIETY VIPs, MEMBERS, AND FAMILIES WITHIN THE SPECIAL NEEDS COMMUNITY ONBOARD THIS EXCITING EVENT!!!

Autism on the Seas is donating a Portion of the Booking Proceeds to the Autism Society of America; Autism currently affects 1 out of every 68 individuals and their families.

Autism on the Seas and its staff are magnificent in providing the highest level of support and assistance to families and individuals impacted by autism who experience cruising. From the moment someone registers for one their cruise to after they are home from their best family vacation ever, Autism on the Seas staff demonstrate the highest quality of caring and support to families. I went on last year's cruise and have already signed up for this year's Autism Society of America Cruise. My family can't wait to again be on the seas with our friends from Autism on the Seas.

Scott Badesch, President/CEO, Autism Society of America

DETAILS

Autism on the Seas and the Autism Society of America, the nation's leading grassroots autism organization, presents the 2019 2nd Annual Autism Society Cruise. The cruise will be onboard Royal Caribbean International Anthem of the Seas.

Royal Caribbean International is the leading autism-friendly cruise line in the world. They have been partnered with Autism on the Seas for over ten years, and they jointly received the Autism Society's Business of the Year award in 2016.

Autism on the Seas, a national organization, provides cruise vacation services to accommodate adults and families living with children with Special Needs, including, but not limited to, Autism, Asperger Syndrome, Down Syndrome, Tourette Syndrome, Cerebral Palsy and all Cognitive, Intellectual and Developmental Disabilities. Their Staff Assisted Cruises are selected from regular cruises throughout the year and assist adults and families in accommodating the typical cruise services, as well as providing specialized Respite and Private Activities/Sessions that allow their guests the use of the ship's entertainment venues in an accommodated and assisted manner. Their professional volunteer Staff (educated, experienced, background checked and sanctioned by the cruise lines) accompanies guests on their cruise to provide amazing vacation and travel experiences.

This Benefit Cruise is open to the general public and will provide special needs families the opportunity to vacation with the accommodations necessary to enjoy a real vacation.

The Autism Society of America is the nation's leading grassroots autism organization. We work to increase public awareness about the day-to-day issues about people across the spectrum, advocate for appropriate services for individuals of every age, and provide the latest information regarding treatment, education, and research and advocacy. Funds raised will further our efforts to Autism currently affects 1 out of every 68 individuals and their families. **Each Family that joins us on this cruise will receive a Special Gift from Autism Society of America and other sponsors.**
