DETAILS

Autism on the Seas and the Autism Society of America, the nation's leading grassroots autism organization, presents the 2018 1st Annual Autism Society Cruise. The cruise will be onboard Royal Caribbean International Independence of the Seas.

Royal Caribbean International is the leading autism-friendly cruise line in the world. They have been partnered with Autism on the Seas for over ten years, and they jointly received the Autism Society's Business of the Year award in 2016.

Autism on the Seas, a national organization, provides cruise vacation services to accommodate adults and families living with children with Special Needs, including, but not limited to, Autism, Asperger Syndrome, Down Syndrome, Tourette Syndrome, Cerebral Palsy and all Cognitive, Intellectual and Developmental Disabilities. Their Staffed Cruises are selected from regular cruises throughout the year and assist adults and families in accommodating the typical cruise services, as well as providing specialized Respite and Private Activities/Sessions that allow their guests the use of the ship's entertainment venues in an accommodated and assisted manner. Their professional volunteer Staff (educated, experienced, background checked and sanctioned by the cruise lines) accompanies guests on their cruise to provide amazing vacation and travel experiences.

This Benefit Cruise is open to the general public and will provide special needs families the opportunity to vacation with the accommodations necessary to enjoy a real vacation.

This Benefit Cruise Event is expecting to raise over \$20,000 to support the Autism Society of America. The Autism Society of America is the nation's leading grassroots autism organization. We work to increase public awareness about the day-to-day issues about people across the spectrum, advocate for appropriate services for individuals of every age, and provide the latest information regarding treatment, education, and research and advocacy. Funds raised will further our efforts to Autism currently affects 1 out of every 68 individuals and their families. Each Family that joins us on this cruise will receive a Special Gift from Autism Society of America and other sponsors.

SPONSORSHIP OPPORTUNITIES

Join the Autism Society of America as a sponsor for the 1st Annual Autism Society of America Cruise. Various sponsorship opportunities are available. Incentives and deliverables at every level will provide your company with national branding. For more information, please contact Kayleigh Millet at
